

HG-306034-2340, HG-306043-2341, HG-306052-2342

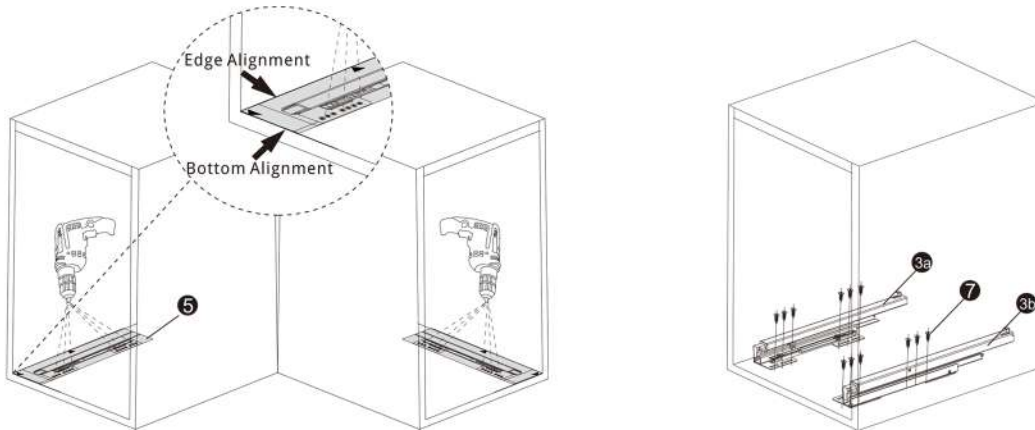

Product SKU	A	B
HG-306034-2340	300mm	237mm
HG-306034-2341	400mm	345mm
HG-306052-2342	450mm	387mm

A=External cabinet width • B=Basket width

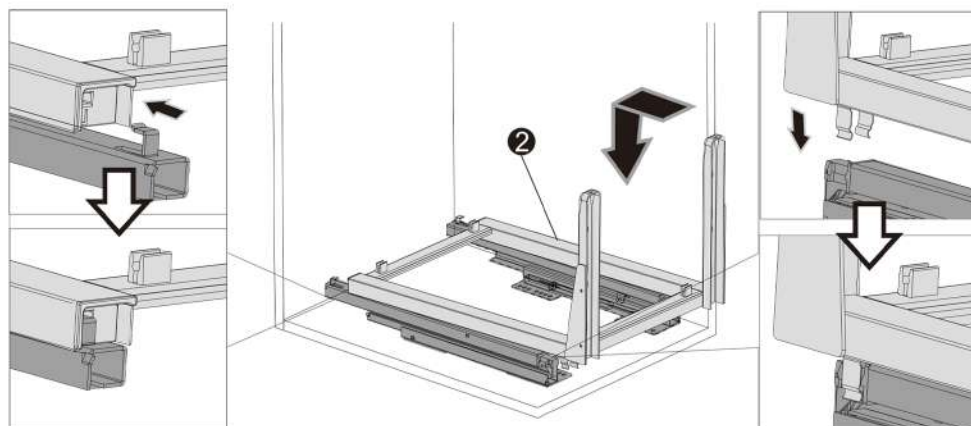

Installation of runners

- 1 Drill 12x $\varnothing 2.5$ mm holes according to template #5 and install the runners. The runner on each side should be installed symmetrically.

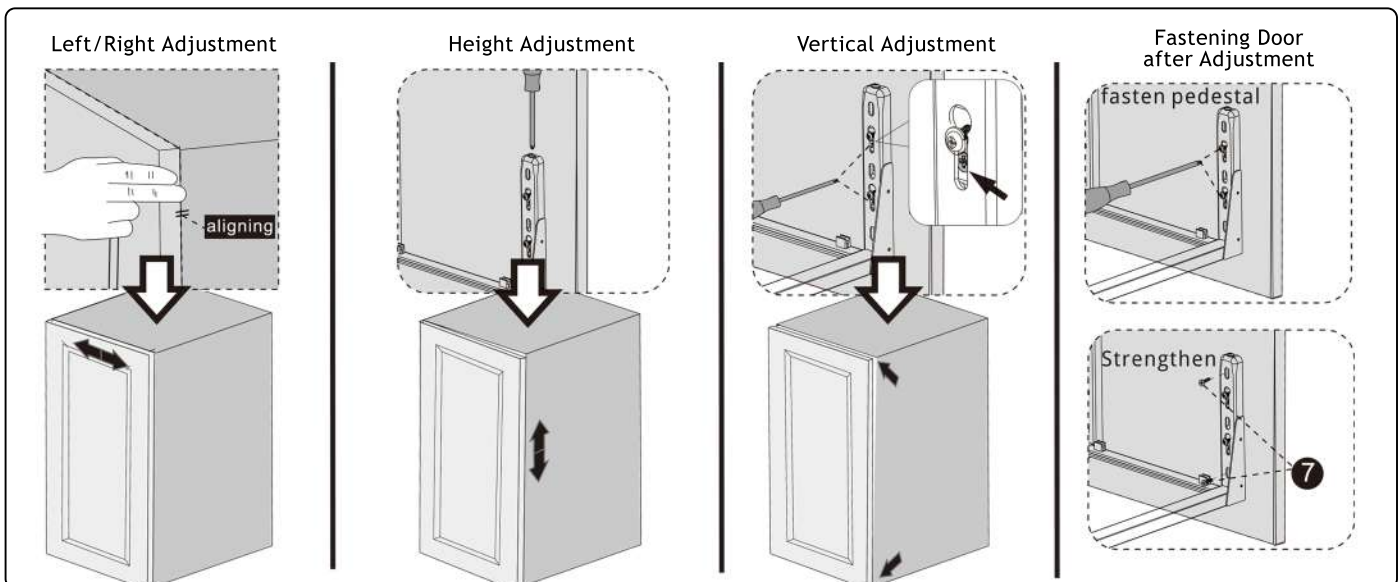

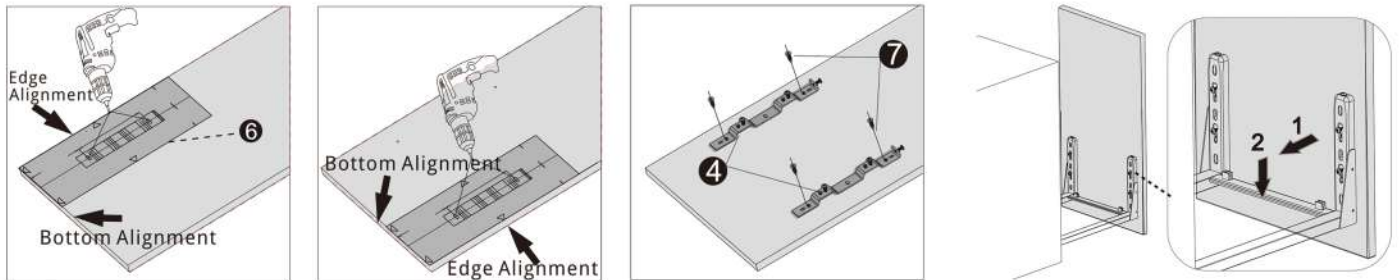

Installation of frame

- 2 Install the frame onto the runners by inserting the rear hooks first. Push the frame firmly until it clicks into place.

Installation of door panel

- 3** Drill 4x $\varnothing 2.5$ mm holes according to template #6 and install the door fittings. Pre-affix the frame to the door panel and align the cabinet door.

Installation of basket

- 4** Install the basket onto the frame and lock until it clicks into place.
